The applicant shall furnish information sufficient to determine the class and group of membership to which she/he is entitled. The application shall be accompanied by applicable membership dues. The Executive Director shall accept membership dues, process membership applications, and stipulate the class and group of members to which applicants will be admitted. The Executive Director's determination as to admission and classification shall be final. No person shall be rejected membership solely based on the determinants put forth in the NFCA Nondiscrimination policy. All memberships shall be for a one-year term, renewable each year.
- b. Dues and Fees. Dues and fees for Active Members and Affiliate Members shall be determined by a majority vote of the Executive Board, subject to the approval of the voting membership. Honorary Members shall be exempt from the payment of dues. The annual dues shall be payable anytime, and are delinquent after the renewal date. In addition, divisions of groups or organizations that do not already have their own awards also will be eligible for these awards when reaching 15 percent membership in the NFCA. Dual members of two organizations would have to declare which awards they wish to be eligible for by March 15.
- c. Renewals. The Executive Director shall notify, within thirty (30) days prior to the renewal date, those members who have not renewed their memberships. A membership shall be considered lapsed if dues have not been paid on or before the renewal date. A member whose membership has lapsed shall immediately be dropped from the membership rolls and loses all rights of membership including the right to make motions, vote, and hold office. A former member may terminate the lapse and rejoin NFCA upon filing an application with the Executive Director, and upon paying the current year's dues. Appeals may be directed to the Executive Board.
- d. New Members. Application for new membership may be made to the Executive Director at any time.

Section 3. Meetings.

- a. Annual Business Meeting. An overall business meeting will be held at the beginning of the convention to handle any overall NFCA business. If bylaw changes are

proposed, one-third of the active members registered at the Annual Convention shall constitute a quorum for the transaction of business.

- b. **Individual Group Annual Business Meetings.** Each individual group (except the assistant coaches) will hold annual business meetings at the convention during their scheduled caucus time for items. One-third of the active members registered at the Annual Convention for each group shall constitute a quorum for the transaction of business. When voting on proposals that will be forwarded to other organizations for consideration, only one vote per school/team will be allowed.
- c. **Softball Summit.** For the purpose of sharing of ideas and debate of those ideas across all group categories, a Softball Summit will be held at the Annual Meeting.
- d. **Special.** Special meetings may be called by the President, with the approval of the Executive Board (majority vote); by the Board itself (majority vote); and by the membership upon the request of at least 20 percent of the active members. The time, place, and exact purpose of the special meeting shall be stated in the call, which must be e-mailed to all members a minimum of thirty (30) days in advance. A quorum of one-fifth of the total active membership shall be necessary to convene a special meeting of the membership. A majority of the active members registered shall be necessary to continue to conduct business until the scheduled time of adjournment. With the possible exception of details of very minor importance, only business mentioned in the call of a special meeting can be transacted at such a meeting.

ARTICLE IV.

Officers

Section 1. Titles. The elected officers of the NFCA shall be a Past President, a President, a First Vice-President, a Second Vice-President, a Third Vice-President, a Fourth Vice-President, nine active Group Representatives — NCAA Division I, NCAA Division II, NCAA Division III, NAIA, NJCAA, California Community College, High School, Travel Ball, Assistant Coach and one representative for the Coach Emeriti Group, elected by the members of the group. The other active group — Professional and Other College Head Coaches not in the above-mentioned groups, can add a board representative once its group reaches 40 members.

Section 2. Eligibility.

- a. **Past-President.** The President of NFCA shall, upon completion of one or two two-year terms, succeed to the office of Past President. The Past President shall remain a member, in good standing, through the term of office.
- b. **President.** To be eligible for the office of President, candidates shall be natural persons at least eighteen (18) years old who have been active members in good standing for a period of two (2) consecutive years, who are employed by an educational institution, and who shall remain in good standing on the date of election and through the term of office.
- c. **First, Second, Third and Fourth Vice-President.** To be eligible for the offices of the Vice-Presidents, candidates shall be natural persons at least eighteen (18) years old who have been active members in good standing for a period of one full year and who shall remain in good standing on the date of election and through the term of office.
- d. **Group Representatives.** To be eligible to be an elected Group Representative, candidates shall be natural persons at least eighteen (18) years old who have been active members in good standing for a period of one full year and who shall remain in good standing on the date of election and through the term of office.
- e. **Coach Emeriti Representative.** To be eligible to be the elected Coach Emeriti Representative, candidates shall have been active members in good standing for a period of 10 full years and who shall remain in good standing on the date of the election, and through the term of office.

Section 3. Nominations. A list of each of the offices to be filled prior to each Annual

Convention shall be sent to the membership. Any eligible member who desires to be a candidate for a vacant office has 14 days within which to present her/his name to the Nominating Committee. The Nominating Committee shall then develop a slate of at least one candidate for each of the offices to be filled. The Nominating Committee shall contact each person whom it wishes to nominate in order to obtain her/his acceptance of nomination — that is, her/his assurance that she/he will serve in the specified office if elected. Each nominee shall provide the Nominating Committee with a brief factual statement of her/his service and qualifications, and of her/his objectives in seeking office. A voting ballot shall be mailed to the membership. Votes must be cast and returned to the Executive Director within the time frame stipulated on the voting ballot.

Section 4. Elections.

- a. The President, and four Vice-Presidents shall be elected by the affirmative vote of the majority of the active members casting email ballots.
- b. Each Group Representative and the Coach Emeriti Representative shall be elected by majority vote of the active members of its group casting email ballots. Consequently, each of the nine groups of active members in the NFCA elects its own Group Representative, as does the Coach Emeriti Group. An active member within a particular group may only vote for a candidate listed on that group's slate of nominees. The candidates for Group Representative who receive the second highest number of total votes cast shall be Alternate Group Representatives.
- c. The Executive Director shall certify the list of the names and mailing addresses of record of all persons legally entitled to vote. The President of the NFCA can vote as any other active member. All election results shall be reported, by the Executive Director, at the Annual Convention.

Section 5. Terms of Office. The officers shall be elected by email ballot to serve for specified terms or until their successors are elected. The term of office for each officer shall be as follows: President — one term of two (2) years, with a maximum of two (2) consecutive terms; First Vice-President — one term of two (2) years, with a maximum of two (2) consecutive terms; Second Vice-President — one term of two (2) years, with a maximum of two (2) consecutive terms; Third Vice-President — one term of two (2) years, with a maximum of two (2) consecutive terms; Fourth Vice-President — one term of two (2) years, with a maximum of two (2) consecutive terms; Group Representatives — one term of two (2) years, with a maximum of two (2) consecutive terms; Coach Emeriti Representative — one term of two (2) years, with a maximum of two (2) consecutive terms. The Past President will serve on the board as long as the sitting President is in office.

There are nine Group Representatives. Four or five of the nine shall be elected each year, by email ballot. The candidates for Group Representative who receive the second highest number of total votes cast shall be Alternate Group Representatives. The schedule for the election of Group Representatives shall be as follows:

- a. NCAA Divisions I, II and III, NAIA and travel ball in even years.
- b. NJCAA, Cal Community College, high school and assistant coach in odd years.

Elected officers shall begin their term of office at the close of the annual meeting at which their election is reported. No member shall hold more than one office at a time.

Section 6. Duties. The officers of the NFCA shall perform the duties prescribed by these Bylaws and by Robert's Rules of Order Newly Revised, the parliamentary authority adopted by the NFCA.

- a. Past President. The Past President shall:

 - 7) Appoint such other chairs and committees as the active membership shall from time to time deem necessary to carry on the work of the NFCA. The Board shall be subject to the orders of the NFCA, and none of its acts shall conflict with action taken by the NFCA. The Board can appoint committees to work under its supervision or according to its specific instructions. Such committees of the Board always report to the Board. In such cases, the committees are genuinely subordinate to the Board and must report back to it for authority to act. Each member of the Executive Board is entitled to one vote.

Section 4. Regular Meetings. The Executive Board shall transact business in a regular or properly called meeting or at an adjournment thereof, of which every Board member has been notified and at which a quorum (a majority of the members of the Board) is

present. The Executive Board shall meet at least three times a year. One meeting shall be the day before the Annual Convention, another shall be the day during the Annual Convention, and the third shall be some time about midway between Annual Conventions. The date, time, and site of each meeting shall be determined by the Executive Director. Written notice of the date, time, and site of each meeting shall be mailed, by the Executive Director, to all Board members a minimum of thirty (30) days in advance.

Additional regular meetings of the Board may be held as deemed necessary by resolution of the Board at a duly convened meeting, or by two-thirds of the Board members giving written consent. Notice of each additional regular meeting of the Board shall be written, shall specify the date, place and hour of the meeting, and shall be delivered to each Board member at least eight (8) days before the meeting, either personally, by mail, or by telegram.

The date, time, place, and exact purpose of the special/emergency meeting shall be stated in the call, which must be delivered to all Board members a minimum of twenty-four (24) hours in advance. A majority of the members of the Executive Board shall constitute a quorum. With the possible exception of details of very minor importance, only business mentioned in the call of a special/emergency meeting can be transacted at such a meeting. If, at a special/emergency meeting, it becomes urgent to take action for which no notice was given, that action, to become legal, must be:

- a. Ratified at the next regular Board meeting.
- b. Ratified at a special Board meeting properly called for that purpose.
- c. Ratified during a properly scheduled and conducted telephone conference.

Section 6. Telephone Conferences. Section 7. Polls. The President may poll members of the Executive Board for their vote on certain issues if all of the Board members have been notified of the issue and of the poll at least twenty-four (24) hours before the poll is taken. The personal approval of a proposed action obtained separately by telephone or individual interview however, even from every member of the Board, is not the approval of the Board, since the members were not present in one room where they could mutually debate the matter. If action on such a basis is necessary in an emergency, it must (in order to become an official act of the Board) be:

- a. Ratified at the next regular Board meeting.
- b. Ratified at a special Board meeting properly called for that purpose.
- c. Ratified during a properly scheduled and conducted telephone conference.

An emergency presentation of facts or recommendations made merely upon separate consultation with every member of the Board must be described thus to the parent assembly, and not as an official report of the Board.

NFCA History

The idea for a softball coaching association first developed from discussions at the National Collegiate Women's Softball Championships in the early 1980's, with Judy Martino of the University of North Carolina credited with the initial thought. Collegiate coaches wanted awards programs, a forum to discuss issues affecting their sport, a means to better educate coaches and update them on softball-related actions, and representation of the group's views in organizations such as the NCAA and ASA.

Shortly thereafter in April of 1983, the National Softball Coaches Association (NSCA) was founded. It was organized by Martino, with Susan Craig, Connie Claussen, June Walker, Hank Dicke, Bonnie Koch and Lorene Ramsey serving as the first officers.

The first meeting of the NSCA directors was held in Durham, North Carolina, in December of that year. The first set of bylaws was adopted, Susan Craig was elected as the first president and Martino was confirmed as the executive director of the NSCA, a position she held for five years. Martino and NSCA lawyer Roger Bernholtz had written the first set of bylaws, based largely on those of other coaches associations.

It was determined that the purpose of the National Softball Coaches Association was "to educate softball coaches and the public in the game of softball, including coordinating the relationship between softball team membership and other educational endeavors through the development of softball in all its aspects as an amateur sport, including maintaining communication of new ideas and discussion of issues involving softball and education." The NSCA planned to achieve these goals by initiating softball clinics, hosting national softball conventions, conducting regional meetings, and by providing official publications to all members. The major sources of income were expected to come from membership dues, corporate sponsors, and clinics.

NFCA Timeline

A proud past ... A promising future

1983

April 1983 - National Softball Coaches Association was founded.

1984

1984 - Became an affiliate member of the NCAA.

1985

1985 - NSCA holds first National Convention.

1988

April 1988 - Became an allied member of the Amateur Softball Association.

1991

1991 - Hired Rayla Allison as first full-time executive director.

December 1983 - First meeting of the NSCA directors held in Durham, N.C., where first set of bylaws were adopted and a president and executive director were elected.

At that time, dues were \$35 a year, and the 1984 budget showed income of \$17,375.00 and expenses of \$14,529.00.

Since then, the organization's college coaches have welcomed high school coaches, travel ball coaches and affiliate members, which consist of umpires, foreign coaches, professional coaches, former coaches and those persons generally interested in softball.

In December of 1995, attendees at the NSCA National Convention voted in the name change to the National Fastpitch Coaches Association (NFCA). It went into effect on September 1, 1996.

Today, the NFCA has grown from 40 members in 1983, to more than 4,000 members in 2012. Revenues exceeded \$1.5 million in 2011-12, and the NFCA has a full-time staff of seven people. Major programs run by the NFCA include awards programs (All-American, coaching staff of the year, victory club, scholar-athlete and top 10 academic teams), a national convention, recruiting camps, Leadoff Classic tournaments for NCAA Division I, Division II, Division III, NAIA and junior college, and USA Today coaches polls for NCAA Division I, Division II, Division III and high school. The NFCA's newspaper, *Fastpitch Delivery*, has become one of the nation's best softball publications, and the Association web site (nfca.org) is one of the fastest-growing softball-oriented sites in the country. The National Fastpitch Coaches College, a coaching school for all competitive coaches, continues to grow each year.

Commitment to the Players

1. Coaches shall put the welfare of their student-athletes above all else while maintaining professional relationships with them.
2. All games shall be conducted within the letter and intent of the rules of fastpitch softball.
3. Coaches shall encourage the student-athlete to exhibit sportsmanship at all times.
4. Coaches shall always remember that their players are student-athletes and not make demands upon them that are inconsistent with institutional, conference and national governing body rules or in any way compromise the student-athletes' academic pursuits.
5. Coaches shall not discriminate on the basis of race, color, religion, sexual orientation, age, national or ethnic origin, or qualified handicapped or disabled persons.
6. Coaches shall follow institutional, conference, national governing body, high school and state association rules regarding drug, alcohol and tobacco use.

Commitment to the Institution

1. Coaches shall behave in such a way that they shall bring credit to their profession and themselves.
2. Coaches shall exhibit professionalism in their actions, words and attire.
3. Coaches shall act in full accordance with institutional, conference and national governing body rules.
4. Coaches shall immediately report any violation of conference or governing body rules regardless of how minor they believe the violation to be.
5. Dissatisfaction with the implementation of institutional, conference and national governing body rules shall be addressed through the proper channels and not through the media or through public opinion.

Commitment to Other Coaches

1. A coach has an obligation to be honest and forthright during the recruiting process. A coach must refrain from making derogatory statements about another coach or institution.
2. Coaches shall treat their colleagues with dignity and respect.
3. Any recruiting of a player at another institution of higher education shall be done in strict accordance with the governing body rules of both institutions involved (e.g., NAIA, NJCAA, NCAA, Cal Community College).
4. Coaches shall honor all professional relationships with their colleagues. They shall avoid conflicts of interest and exploitation of these relationships.

Commitment to Umpires

1. All game umpires shall be treated in a professional and respectable manner at all times.
2. Any displeasure with an umpire's actions or conduct shall be addressed through the proper channels and not through the media or through public opinion.
3. The NFCA members shall strive to develop positive working relations with the umpires.
